Sandusky County Park District Bench Sponsorship

The Sandusky County Park District is currently offering a unique and exciting opportunity for you to become a partner in the development and operation of Park District trails. In an effort to provide facilities where park users can take a break from active trail use, the Park District is working to provide benches along the trails. These benches will be constructed by Park District personnel, utilizing a design that has proven to be both functional and durable in a park setting. The benches will be placed during the upcoming spring and summer at strategic locations along the trail. We ask that you consider sponsoring a bench, which will bring personal satisfaction and add much needed resting areas along the trail. Details of this sponsorship program include:

1. Cost: Single bench with concrete pad \$ 150.00

Covered bench with concrete pad \$1,000.00

2. Recognition: Each bench sponsor will be recognized by having the name of their choice placed on the bench structure.

3. Location: Bench locations will be at the discretion of the Park District. Every effort will be made to accommodate location requests.

Under normal conditions these benches will last for years. Sponsorship of a bench is for the life of that particular bench. Should a bench need to be replaced, sponsors will be given the first opportunity to renew their sponsorship.

For further information, please contact the Park District office by calling **(419)-334-4495** or by e-mail at:
