

Volunteer Trail Patrol Information

The Volunteer Trail Patrol (VTP) program for the Sandusky County Park District's North Coast Inland Trail has been a great success. The secret of that success is the commitment of volunteers who strive to help make the Park District's bike trail a safe and fun way to exercise and get outside.

Act Fast!

There are limited spots available. Membership in the VTP is on a first-come first-serve basis. Call the Sandusky County Park District Office for more info and an application:

North Coast Inland Trail

How It All Started

The Volunteer Trail Patrol Program was made possible by a grant from the Sandusky County Communities Foundation. The grant made it possible to buy the equipment and uniforms for the VTP.

Training

The Park District Ranger Staff will provide training and gear that will prepare you for the Volunteer Trail Patrol.

Your Sandusky County Parks are open 365 days a year! Volunteer Today!

Details of the Volunteer Trail Patrol Program

When you become a Volunteer Trail Patrol Member, you become the Park District's eyes and ears. VTP members log their time on the trails and also notify Park District staff of maintenance and safety problems.

The key element of the Volunteer Trail Patrol Program is communicating with the public who use the trail.

Commitment

The Park District requires that members of the VTP log at least 40 hours a year on the Park District's many miles of trails throughout the county.

Walk, hike, bike or jog, it's up to you! This program is designed to keep all of our trails safe, including those at White Star Park, Wolf Creek Park and Creek Bend Farm, among others.
